CHARGE BATTERIES FASTER

Purkeys' BOSS battery charger ensures dump trailer batteries stay charged. This innovative charging system uses the truck's power to charge trailer batteries, and boosts the voltage to charge faster and more efficiently so you're never stuck unloading by hand.

CHARGE FASTER!

KEY FEATURES

- Connects with a 7-way trailer harness
- Charges faster than standard charging systems
- Maintains the batteries at a high state of charge
- Includes at-a-glance indicator light

With the BOSS, you won't need to worry about dead batteries in the middle of a job – because when the day is done, you should be too.
