

KNOW THE STATUS OF YOUR BATTERIES

The Status is a battery status indicator. It uses a screen to show numeric battery voltage and state of charge, and also has an LED that turns green, yellow/amber, or red to indicate battery health.

KEY FEATURES

- REDUCES PARASITIC LOAD ON THE BATTERY
- ELIMINATES BATTERY STATE OF CHARGE UNCERTAINTY
- DESIGNED FOR HARSH WEATHER CONDITIONS
- ROBUST AND LONG LASTING
- INCLUDES EASY-TO-READ INDICATORS
